Toast to Irene Adler

To the Tune of "Goodnight Irene"

Evelyn Herzog, ASH, BSI

Irene, good night. Irene, good night.
Good night, Irene. Good night, Irene.
I'll see you in my dreams.

Yesterday noon she got married:
She and Norton, they did it with style.
From London they now have departed.
I'm gonna stare at her photo a while.

Irene, good night. Irene, good night.
Good night, Irene. Good night, Irene.
I'll see you in my dreams.

Sometimes I solve knotty problems,
Sometimes I defeat enemies,
Sometimes I take a great notion
To retire and start keeping bees.

Irene, good night. Irene, good night.
Good night, Irene. Good night, Irene.
I'll see you in my dreams.

Quit London, and quit all my clients,
Quit conmen with all of their schemes,
Stay home with my beehives and notebooks,
And see adventuresses in my dreams.

Irene, good night. Irene, good night.
Good night, Irene. Good night, Irene.
I'll see you in my dreams.

TO IRENE ADLER!
